Hesston Rec and Golden Plains Credit Union will continue the longtime tradition of a community Easter Egg Hunt for children on Friday, March 30, 2018.

The event is for children from toddler-age through 4th grade. The hunt will be at 10 a.m. at King Park, Heritage Park and Hesston Middle School. Various areas are reserved for each age/grade group, and plenty of colorful Easter eggs and candy will be hidden so every “little hunter” goes away with a special Easter treat.

Golden Plains Credit Union will give away Easter baskets at the hunt and have cookies and a drawing for a large Easter basket after the hunt at the branch, 140 N. Main St. in Hesston.

Watch for more information in *The Hesston Record* just prior to Easter. HRCE also will distribute a flyer with details through the schools.

Welcome to the Wild World of Extraordinary Creatures!

Join us for Hesston Kids Connect Summer Camp where we will be exploring the world of paws, claws, scales, tails, feathers and fur!

Each week we'll be learning about:

- What groups/families the animals are in
- Whether they are endangered or extinct
- The environments the animals live in
- Rescues involved with helping injured animals
- Where people can go to learn about the animals around them.

We'll learn about many kinds of animals from different countries and even from our own back yards through scientific lessons, art projects, recreational activities, and exploration on field trips.

The children will be able to display their knowledge they gain over the summer through art, games, reports/research, etc. at our End of the Summer Fair!

Along with learning we will be going to the pool, library, field trips to various places that will teach us about the animals around us, water parks, and have time to relax and have fun being themselves and enjoying summer.

Come join us and explore the Wild World of Extraordinary Creatures!
